We do not have any individual contributors over \$200 to report at this time. In addition, we continue to experience technical difficulties with the newest version of the software, 6.1.1.3. After several conversations with tech support they are still unable to determine what the problem is or how to fix it. We are receiving warnings about our committee ID's being missing, although they are there. Tech support mailed me a CD version of the software, but we are still experiencing the same problems. When we emailed tech support the file they said that everything looks fine to them and they do not get the same error messages that we do. Hopefully all of our information is transmitting properly even if it doesn't show at our end.
